

# Western Albemarle Rescue Squad

## *Volunteers in Service to the Community Since 1978*

[www.westernrescue.org](http://www.westernrescue.org)

October 2018

The Western Albemarle Rescue Squad (WARS) is proud to serve the community on an all-volunteer, 24 - hour basis. Over **100** dedicated WARS volunteers work to ensure this community remains safe and healthy. However, WARS could not provide these services without the help of community members such as you. Because of "your" ongoing donations, we are able to consistently meet the highest standard of care.

*Words cannot express our thanks for the honor and respect your crew show for our daughter. She considered EMS personnel everywhere as part of her family and you truly rose to the occasion. Thank you all so much!*

In 2018, we responded to over **1600** calls. WARS responded to each emergency with superior training and equipment, made possible by generosity of our donors. However, thankful as we are for the outpouring of community support in years past, we must prepare for the years ahead in order to continue to provide the care that Western Albemarle deserves.

*Dear Mr. Alibertis,  
Western Albemarle Rescue Squad*

*I want to thank you for your service to the people of western Albemarle County. I suffered a heart attack about midnight on June 29<sup>th</sup> and thanks to you and your team I am feeling well today. You and your team were very professional and obviously very knowledgeable. I cannot thank you enough for the prompt and wonderful service you provided to me.*

Currently, WARS faces a variety of ongoing challenges, such as updating our building and enclosing our carport to make an appropriated space to keep our equipment, and implementing the latest training procedures, on top of running an excellent volunteer rescue squad. As we rely on community donations to help fund these projects, consider donating to WARS. Please feel confident that your donation will go directly back to the neighbors, families, and guests of the Western Albemarle community in the form of quick, efficient, and safe rescue services.

As you enjoy these autumn days, please remember the WARS volunteers, they sacrifice holidays weekends and social events to serve our community. Every penny of your donation helps us remain up to date on training, ensures we are using the most effective equipment, and boosts the morale of those who dedicate their time to keeping you safe.

On behalf of the Western Albemarle Rescue Squad members and our Board of Directors, we are grateful for any donation you may make. Be safe, and call 911 if you need us!
